- Social innovations

1. Access / outreach to univ. studies (Mixed-mode) and post-univ studies
2. Validation ... VNIL (APL! APL?)

1. Access/outreach to univ. studies
(Mixed-mode) and post-univ. studies
 2. Validation of nonformal ^{VNIL (APL? APL?)} learning for vulnerable groups - 'progression' to education, work, community engagement.
 3. Disadvantaged groups (with disabilities, migrants, older adults etc.) → short-modules (bridge/closing gap) - mobility as dimension.
